"I am a single mom who works part-time and is also a student. I am working hard to finish school so I can get back to work full-time. Your scholarship program has allowed my daughter to get the services she truly needs since we are struggling with health insurance."

-Client

P.A.L.S. for Healing provides multiple trauma-informed therapies for children, individuals, and families after the death of a loved one or experiencing trauma. We offer innovative individual counseling and art therapy to help them express themselves when words fall short. Our variety of professionally-led groups provide a unique opportunity for at-risk families. We customize our support groups to reach multiple types of trauma and grief from a variety of specialties including art therapy combined with trauma informed yoga, racial trauma, and building resiliency skills. All of our services are available at a reduced scholarship rate so EVERYONE who has suffered trauma or loss can receive quality care.

Our 7th Annual Fundraiser will be a "Night at the Races" and held on Friday, April 25, 2025 in downtown Cleveland at Music Box Supper Club. This fun night, filled with horse racing, great food, and open bar, is P.A.L.S. for Healing's largest and most important fundraiser of the year with more than 120 attendees. This is how we raise funds to serve those who would not otherwise be able to afford therapeutic services with last year raising more than \$6,000 to help clients.

We are asking your help by donating an item for our event auction. All donors will be thanked for their kindness and generosity through recognition on our social media, e-newsletter and event program.

Donations are tax-deductible as we are a registered non-profit organization (Tax ID: #27-2494217). If you are able to help us or would like additional information, please contact me at (330) 518-8334 or contactus@palsforhealing.org.

Sincerely,

Misty Ramos Saviano, Executive Director
