"We have health insurance, but it does not provide enough coverage. Since the traumatic death of my child, I have needed continual counseling. I applied for P.A.L.S. for Healing's scholarship program as we are always struggling to cover our medical bills. Seeing one of your counselors has allowed me to gain a different perspective, honor my grief, and find ways to cope with trauma. Your specialized EMDR counseling has helped tremendously without the worry of how we will pay our bills. Thank you for existing, P.A.L.S."

-Client

P.A.L.S. for Healing provides trauma-informed therapies for children, individuals, and families after the death of a loved one or experiencing trauma. We offer individual counseling and art therapy to help express feelings when words fall short. Our variety of professionally-led groups provide a unique opportunity for at-risk families. Support groups are customized to reach multiple types of trauma and grief using specialties like art therapy, trauma informed yoga, EMDR, and building resiliency skills. All services are available at a reduced scholarship rate so EVERYONE who has suffered trauma or loss can receive quality care.

Our 8th Annual Fundraiser will be a "Night at the Races" and held on Saturday, April 25, 2026 at Vosh in Lakewood. This fun night, filled with horse racing, great food, and open bar, is P.A.L.S. for Healing's largest and most important fundraiser of the year with more than 120 attendees. This is how we raise funds to serve those who would not otherwise be able to afford therapeutic services.

We are asking your help by sponsoring the event or purchasing tickets. All donors will be thanked for their kindness and generosity through recognition on our social media, e-newsletter and event program.

A portion of sponsorships and ticket sales are tax-deductible as we are a registered non-profit organization (Tax ID: #27-2494217). If you would like additional information, please contact me at (330) 518-8334 or contactus@palsforhealing.org.

Sincerely,

Misty Ramos Saviano, Executive Director
