“I am a single mom who works part-time and is also a student. I am working hard to finish school so I can get back to work full-time. Your scholarship program has allowed my daughter to get the services she truly needs since we are struggling with health insurance.”

-Client

Every child deserves the chance to be happy and healthy!

P.A.L.S. for Healing provides multiple trauma-informed therapies for children, individuals, and families after the death of a loved one or experiencing trauma. We offer innovative individual counseling and art therapy to help them express themselves when words fall short. Our variety of professionally-led groups provide a unique opportunity for at-risk families. Past topics have included: healing racial trauma, equine art therapy, promoting pride, and building social skills. All of our services are available at a reduced scholarship rate so EVERYONE who has suffered trauma or loss can receive quality care.

Please consider sponsoring or purchasing a ticket!

Our 5th Casino Night Fundraiser will be held on Saturday, April 29, 2023 in downtown Cleveland at McCarthy's. This fun night filled with gambling, great food, and meeting new people is **P.A.L.S. for Healing's largest and most important fundraiser of the year.** This is how we raise funds to serve those who would not otherwise be able to afford therapeutic services with last year raising nearly \$7,000 to help clients.

We are asking your help by sponsoring the event or purchasing tickets. All donors will be thanked for their kindness and generosity through recognition on our social media, e-newsletter and event program.

A portion of sponsorships and ticket sales are tax-deductible as we are a registered non-profit organization (Tax ID: #27-2494217). If you would like additional information, please contact me at (330) 518-8334 or contactus@palsforhealing.org.

Sincerely,
